# Creating a New Academic Year

To create a new Academic Year, this needs to be added on your system's properties area first.

To do this, navigate to **Settings > Properties > Properties**.

On your properties area, look for “**Bursary Application Year**”, and click the pencil icon to make the new academic year active.

When you return to your Dashboard, your new Academic Year will be visible once at least one student has renewed their bursary or you have received new applications for the new year.

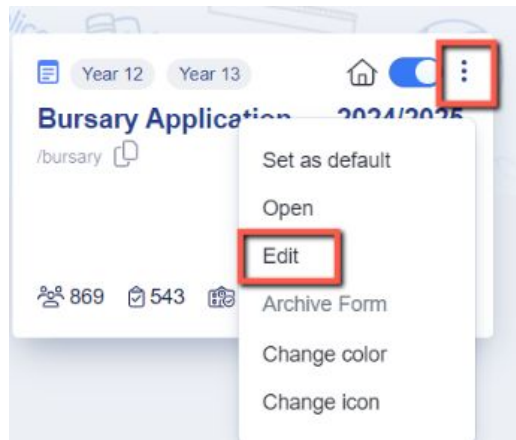

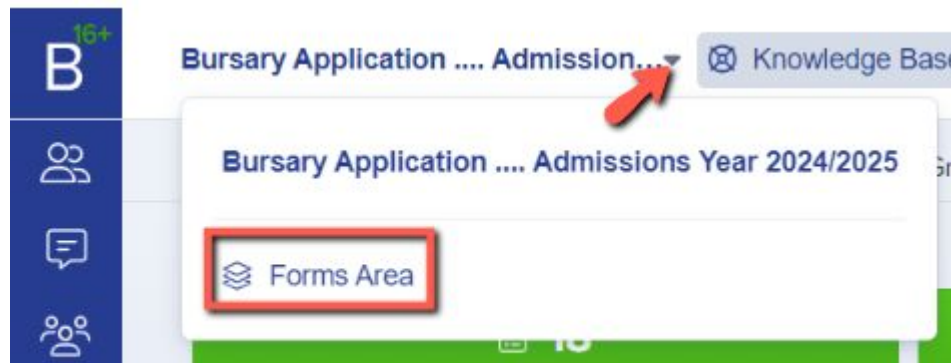

# Editing the form name to reflect the new cycle

To update the academic year of your bursary form (which will be reflected in the name seen by applicants), navigate to the forms area of your system:

Click the kebab menu to edit the form.

Remove the old academic year.

Select the new academic year before clicking to save.

Set this as my default application form ⓘ

# Renewing your existing students' bursaries

When a student has been eligible for the bursary during Year 12, as per the DFE guidance they will need to reapply to access the funds again in Year 13. For them to do this, you must make their status '**Bursary Renewable**'.

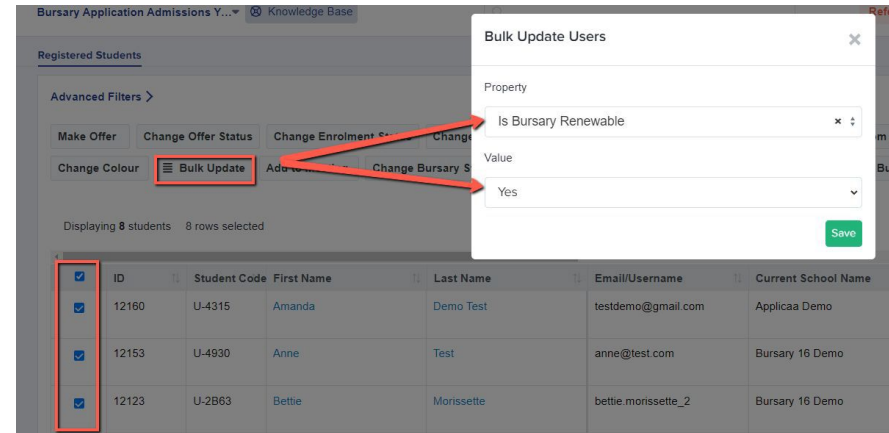

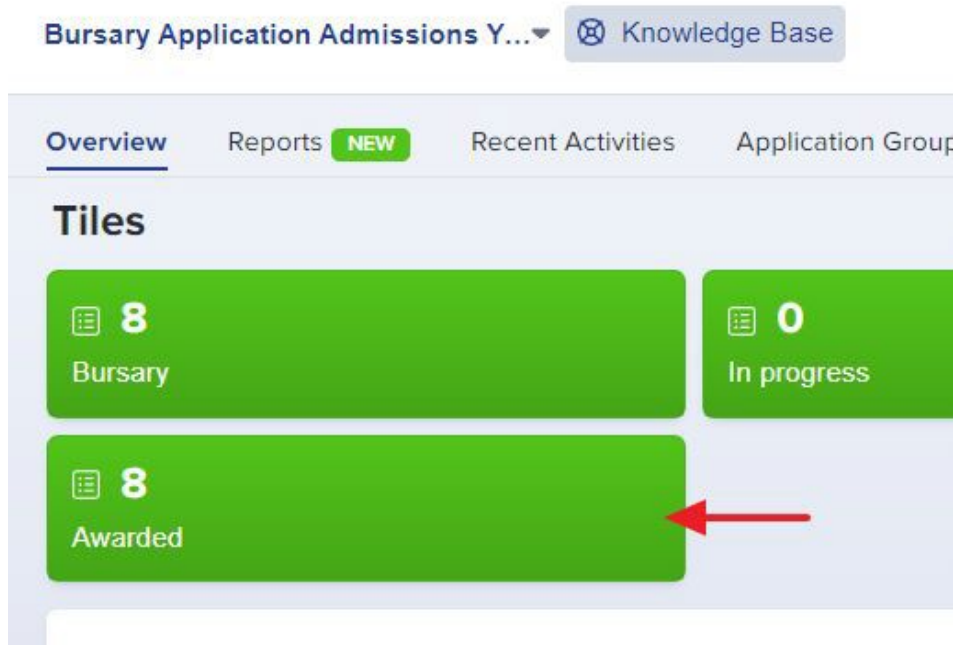

You can do this **individually or in bulk by accessing a list of your students from your dashboard.**

## **Important - please note:**

Renewing a student's bursary ends their current bursary cycle - they will be unable to submit any requests for the current year.

Only renew your students once you have finished with their bursaries for the current year.

For example, navigate to your previous year's **Awarded** tile, select your students, and then click **Bulk Update**.

A pop-up window will then display for you. Choose **"Is Bursary Renewable"** in the Property Field and **"Yes"** in the Value, then **Save**.

Once you've renewed the student's bursary, they should log in and a **"renew application"** option will appear, allowing them to fill out a new form or **sign a declaration that nothing has changed, and retain all their financial information for the next form.**

The screenshot shows a user interface for a bursary application portal. On the left is a sidebar with icons for Home, Messages (with a red '10' badge), and Calendar. The main header says 'Hello Arya,'. Below this is a user profile for 'Arya Stark' with 'Student Code: U-03GF'. A green box with a checkmark and the text 'B16+ Fo...' is visible. Under 'My Requests', the 'Bursary Status' is '2023/2024' and 'Awarded'. At the bottom, there is a 'Renew Application' button and a 'Withdraw' button. A red callout box with an arrow points to the 'Renew Application' button, containing the text 'Click here to renew your application'. On the right, a 'School Message' section contains a welcome message for 2023/24, a photo of a man in a suit, and information about bursaries and how to contact the Bursary Team.

**School Message**

Welcome! 2023/24

Solihull Sixth Form College believes everyone should have access to an outstanding education. Our bursaries are awarded in cases of financial hardship as every student should be able to realise their potential.

We offer bursaries so that a student's education can be of a high quality regardless of their financial situation; a bursary is directly related to the income and financial resources of the pupil's family.

You can check the status of your application at any time on this page. Once your application has been validated, this means we have all the information we require from you and we will be in touch to inform you of the outcome of the assessment.

If you have any questions regarding the bursary process, you can email the Bursary Team at [bursary@solihullsf.ac.uk](mailto:bursary@solihullsf.ac.uk) or phone... [Show full message](#)

Note that if they select the option to re-apply due to a change in their circumstances, the Pupil Step will be auto-populated from last year, so that the student may ensure that all of the information is still correct. Then they must complete the remaining stages.

# Renewal Feature - how it appears to the student

Once the student has logged in and clicked on the **'Renew Application'** button, the students will see a pop up preview which shows them a review of their Financial Information.

## Review Policy

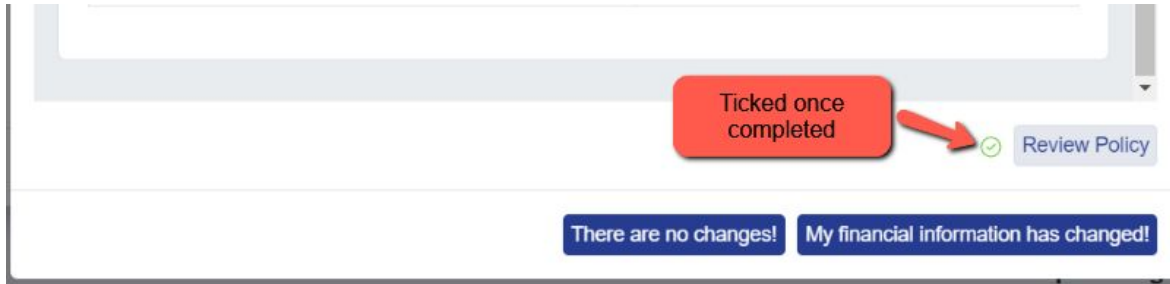

Please review and agree to the the bursary policy attached below

[Bursary Guidelines and Next Steps](#)

☒ I have read and agree to the above policy

# Declaration of Financial Information

Once the policies have been reviewed and agreed, the buttons below will become active for the students.

The screenshot shows a web form interface. At the top, there is a light gray header bar. Below it, a red rectangular button with the text "Ticked once completed" is positioned. A red arrow points from this button to a green checkmark icon. To the right of the checkmark is a light blue button labeled "Review Policy". Below these elements, there are two dark blue buttons: "There are no changes!" on the left and "My financial information has changed!" on the right.

**'There are no changes'**

OR

**'My Financial Information has changed'**

If they clicked on **'There are no changes'** - **it will ask them for a signature to declare that there are no changes with their financial information and it will be copied over to next cycle.**

**Add Signature**

Please sign as confirmation that none of your financial information has changed.

**Draw** Type Upload

↺ 🗑️ ✓ ● ●

By signing this area with an electronic signature, I agree that the signature will be as valid as handwritten signatures to the extent allowed by local law.

Cancel **Accept & Sign**

If there are changes to their information they'll select **'My Financial Information has changed'** and a pop up will appear:

**You are about to renew your bursary application. Are you sure?**

You have confirmed your financial information has changed. We will NOT copy the information over.

**Confirm** Cancel

Once confirmed, it will show on their homepage that their current status is back to **'Not Started'**.

Bursary Status **2024/2025**

Not Started

Withdraw

The renewal information on the student's profile overview will also instantly update to **"Yes"** once the student has renewed their bursary via the student profile.

Student Info (Internal)	
Student Code	U-D3B8 
Application Reference Number	-2019-08-E-01
( Local ) Pupil Reference Number	
Bursary Renewable	Yes
Renewal	Yes
Enable Bursary Income Change	Yes
Bursary Application Year	2023/2024

will automatically update to "yes" once the student has renewed their Bursary

A fresh Approval Band will be calculated for the students after their Bursary has been renewed, regardless of whether they still have any bursary funds left over from previous year (funds do not carry over).

Approval Band	£500.00
Funds Remaining	£500.00 (100.00%)

**Additional information:** Any transaction records from the previous year will also be removed on the student profile.

But you may still view these past transactions on the Bursary request area of the student by impersonating them, or by simply going to your system's request area to view your transactions from the previous academic year.

The screenshot shows the 'Requests' section of a system. At the top, a navigation bar includes 'Overview', 'Reports', 'Recent Activities', 'Application Groups', 'Tasks', 'Calendar', 'All Activities', 'Requests' (highlighted), 'Expenses', and 'Schools & Settings'. Below this, the 'Bursary Application Year' section has a dropdown menu with '2024/2025', '2022/2023' (highlighted with a red box and a callout), and '2021/2022'. A callout points to this dropdown: 'click here to visit previous year's transactions'. To the right, there are settings for 'Number of authorisations required per request' (set to 2) and 'Email notifications' (set to Disabled). Below these are filter dropdowns for 'Request type', 'Item', and 'Status', with a central callout: 'Use the filters here to filter any request by request type, item or status'. At the bottom right, a search bar is labeled 'Search in table' with an 'Export' button, and a callout: 'Use this to quickly search for a particular student'. The bottom section contains action buttons (Approve, Action, Complete, Decline, Delete, Send Email), a 'Show 10 entries' dropdown, and a table of transactions.

To update your message to the student, click **edit** and then you may preview it from a student's perspective afterwards.

The screenshot shows the 'Form Settings' interface for the 'Student Homepage'. The left sidebar contains 'Welcome Message', 'Images', and 'Settings'. The main content area has a tabbed interface with 'Student Homepage' selected. Under 'Display student name with:', there is a dropdown menu currently set to 'First Name'. A red callout box points to this dropdown with the text: 'Choose whether to address students by their legal first name or their preferred first name'. Below this, the 'Message on student's homepage (not visible to parents when they log in)' section contains a preview of a welcome message. A red callout box over the preview text says: 'This message will be visible to all bursary applicants on logging in'. To the right of the message preview are 'Preview' and 'Edit' buttons, which are highlighted with a red box.

You may also update your student's homepage photos by clicking edit and previewing it as a student as well.

This screenshot shows the 'Student Homepage Image' settings. It features two sections: 'Student Homepage Image For All Forms' and 'Student Homepage Image For Bursary Application'. The 'For Bursary Application' section includes a photo of a man in a suit. To the right of the photo are 'Preview' and 'Edit' buttons, highlighted with a red box. A red callout box with arrows pointing to these buttons contains the text: 'click to update your Student's Homepage photo and preview it from a student's perspective'.

# Application Form Configuration

Your Bursary Application form from last year will be the same one that your new candidates will use this year. However, you are free to make any necessary changes to your form.

Please see on our Knowledge Base, a PDF guide on [how to customise your Bursary Application form](#)

# Email Templates

In your **Communications & Events** tab you will see sections for Manual Messages, Automated Messages and Scheduled Messages.

The platform has several email templates already available for you to use. We would recommend having a look through these templates, seeing which ones you would like to make any changes to, to reflect the messages you would like to use at your school for this year.

You may create your own manual templates that you may use later in the cycle here:

There are also several automated emails you will need to check. We recommend going over these templates and determining which ones you want to turn on/off or alter.

Automated Messages   Scheduled Messages   Messages Summary

After completed

Allows you to switch on/off an email

You can edit, move to folder, preview and delete using these icons

Before you send any emails via your platform, it is important to set your default emails; this will determine which email address your emails will be sent from (visible to students) and also which email address replies will go back to. You can set these by going to one of your email areas, clicking the kebab menu in the top right corner, and choosing **'Set Default Email'**.

Please access our [Knowledge Base](#) for an overview of the communication area, and of course contact us on us on **020 8762 0882** for further questions.

Read more about DNS [here](#).

If you are seeing “admin@applicaa.com” in the From address, this means you have not requested a DNS update. You can request this by clicking this icon and adding the details for your IT Manager - it will then mean you can send emails from your own school domain once this has been activated!

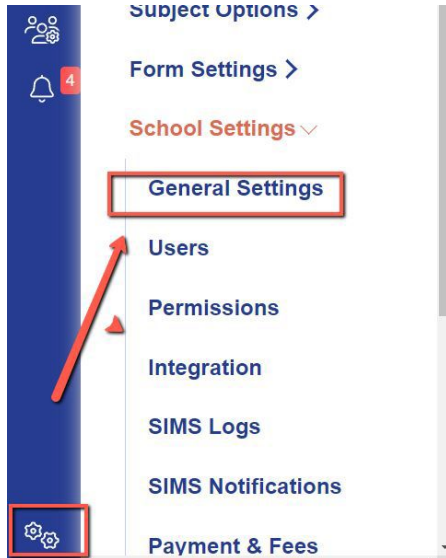

A screenshot of a dialog box titled 'Set default email addresses for this form'. The dialog box contains the following text: 'To update this for other forms you will need to navigate to the email template area for that form'. Below this, there is a section for 'From address' with an information icon (i) to its left. A red arrow points from a red callout box that says 'Click here to submit your DNS request' to the information icon. The 'From address' field currently displays 'admin@applicaa.com'. Below this is a section for 'Reply to email (to add a new email, start typing and hit 'Enter' to save)' with an empty text input field. Below that is a section for 'Default email address for emails targetted at staff' with an empty text input field. At the bottom of the dialog box is a blue button labeled 'Update'.

# Linking your Bursary Platform with your A+ System

We can easily link your bursary platform to your A+ platform so your enrolled students in A+ can log into your B16+ system using the same credentials and begin an application for the bursary fund. Their basic details will carry over to B16+.

To check that the two platforms are already connected to one another, please log in to your Bursary Platform and navigate to **Settings > General Settings**.

If no member school is listed, but you would like your A+ and B16+ systems to be connected please call our Support Team on **0208 762 0882**.

## Basic School Information

[Edit](#)

## School Information

### Member Schools

Greenford High School, Greenford High School

Another way of checking whether the two platforms are already linked to one another is by checking if a new Bursary Phase is visible on your A+ platform.

To verify this, log in to your A+ Platform and navigate to **Settings > Application Form > Phase View**.

**Concessions & Bursary** should be visible to you, which you may activate so that students registered/enrolled in your A+ platform can access your Bursary while logged in on the same platform.

You may also provide them with the Bursary link (which is the same link you are using to login as a staff member), and they should be able to log in using the same credentials they used in A+.
