Curriculum Year 12-14

Preparing for your New Cycle (For current customers)

Renewing student Bursary into year 13

Updating School Bands

Updating your Student Homepage

Application Form Configuration

Email Templates to check/review

Linking your B16+ with your Admissions+ System

Beginning a new Academic Year

Your new Academic Year will become the default within your system when we change your settings (first week of August).

When this happens, the current cycle will end, and no more requests for purchases or reimbursements will be processable for that cycle.

On your Dashboard, your new Academic Year will be visible once at least one student has renewed their bursary or you have received new applications for the new year.

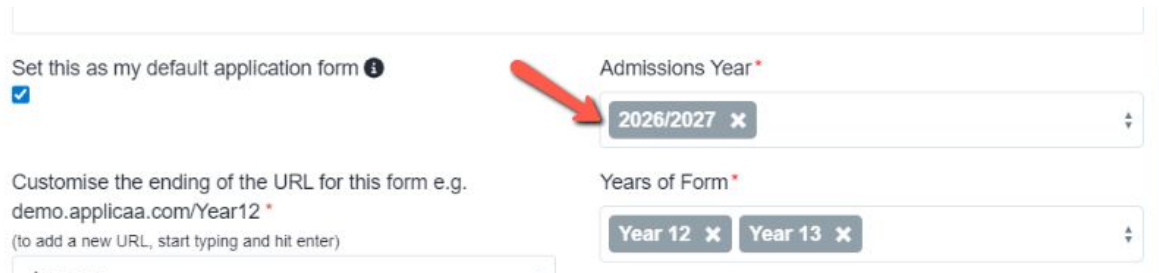

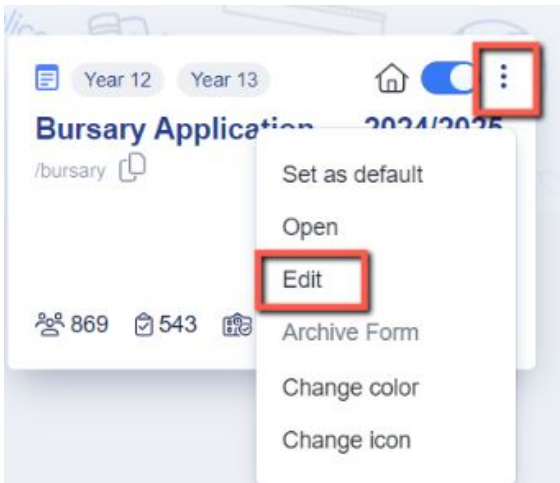

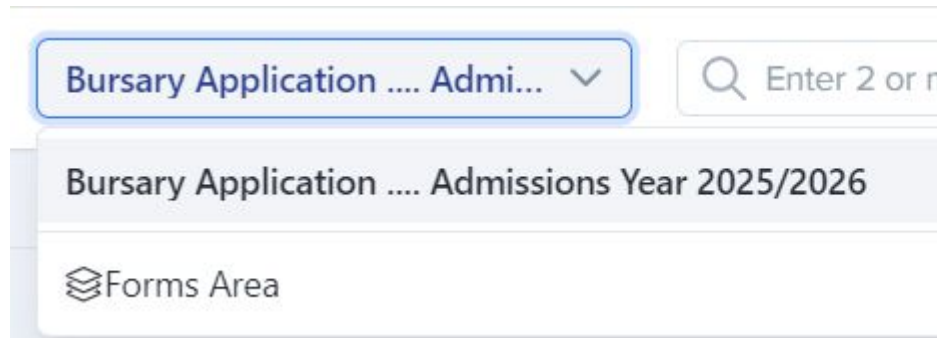

Editing the form name to reflect the new cycle

To update the academic year of your bursary form (which will be reflected in the name seen by applicants), navigate to the forms area of your system:

Click the kebab menu to edit the form.

Replace the old academic year with the new one in the **Admissions Year** dropdown.

Click to save.

Renewing your existing students' bursaries

When a student has been eligible for the bursary during Year 12, as per the DFE guidance they will need to reapply to access the funds again in Year 13. For them to do this, you must make their status '**Bursary Renewable**'.

You can do this **individually or in bulk by accessing a list of your students from your dashboard.**

Important - please note:

Renewing a student's bursary ends their current bursary cycle - they will be unable to submit any requests for the current year.

Only renew your students once you have finished with their bursaries for the current year.

For example, navigate to your previous year's **Awarded** tile, select your students, and then click **Bulk Update**.

Review Policy

Please review and agree to the the bursary policy attached below

[Bursary Guidelines and Next Steps](#)

I have read and agree to the above policy

Declaration of Financial Information

Once the policies have been reviewed and agreed, the buttons below will become active for the students, allowing them to fill out a new form or **sign a declaration that nothing has changed, and retain all their financial information for the next form.**

The screenshot shows a web form interface. At the bottom of the form, there is a 'Review Policy' button with a green checkmark icon. A red callout box with the text 'Ticked once completed' and a red arrow points to the checkmark. Below the form, there are two buttons: 'There are no changes!' and 'My financial information has changed!'.

“There are no changes!”

OR

“My Financial Information has changed!”

As part of your renewal settings, you can control what they see and need to complete as part of the declaration if they choose **“There are no changes!”**

They confirm their submission, and their bursary status for the new cycle will show as **Submitted**.

Bursary Declaration Form

The renewal information on the student's profile overview will instantly update to **"Yes"** once the student has renewed their bursary via the student profile, and their applied year group will increase by the value of 1 (for example from Year 12 to Year 13).

A fresh Approval Band will be calculated for the students after their Bursary has been renewed, regardless of whether they still have any bursary funds left over from previous year (funds do not carry over).

Approval Band	£500.00
Funds Remaining	£500.00 (100.00%)

Additional information: Any transaction records from the previous year will also be hidden on the student profile, but you may still view these past transactions on the Requests area of your system to view transactions from the previous academic year.

Updating Student Homepage

If you would like to make changes on your Student Homepage to update the message that you have there for this new cycle, go to **Settings > Form Settings > Student Homepage**.

Hello Arya,

Arya Stark Student Code: U-0514

B16+ Fo... Bursary Request

School Message

Welcome!

Everyone should have access to an outstanding education. Our bursaries are awarded in cases of financial hardship as every student should be able to realise their potential.

We offer bursaries so that a student's education can be of a high quality regardless of their financial situation; a bursary is directly related to the income and financial resources of the pupil's family.

You can check the status of your application at any time on this page. Once your application has been validated, this means we have all the information we require from you and we will be in touch to inform you of the [Show full message](#)

To update your message to the student, click **edit** and then you may preview it from a student's perspective afterwards.

The screenshot shows the 'Form Settings' interface for 'Student Homepage'. The left sidebar contains 'Welcome Message', 'Images', and 'Settings'. The main content area has a breadcrumb trail: Dashboard > Student Homepage > Parent Homepage > Landing Page > Application Groups > Form Groups > Student Profile. Under 'Welcome Message', there is a dropdown menu for 'Display student name with:' with a red callout box stating 'Choose whether to address students by their legal first name or their preferred first name' and an arrow pointing to the 'First Name' selection. Below this is a text editor for the 'Message on student's homepage (not visible to parents when they log in)'. A red callout box says 'This message will be visible to all bursary applicants on logging in'. To the right of the text editor are 'Preview' and 'Edit' buttons, which are highlighted with a red box. The message content includes a 'Welcome!' greeting, a paragraph about bursaries, a paragraph about application status, and an email address: bursary@appliance.com. A 'Show more' link is at the bottom.

You may also update your student's homepage photos by clicking edit and previewing it as a student as well.

This screenshot shows the 'Student Homepage Image' settings section. It includes a header 'Student Homepage Image' with 'Preview' and 'Edit' buttons. Below is a section for 'Student Homepage Image For All Forms' and another for 'Student Homepage Image For Bursary Application'. A photo of a man in a suit is shown under the 'Student Homepage Image For Bursary Application' section. A red callout box with two arrows pointing to the 'Preview' and 'Edit' buttons says 'click to update your Student's Homepage photo and preview it from a student's perspective'.

Application Form Configuration

Your Bursary Application form from last year will be the same one that your new candidates will use this year. However, you are free to make any necessary changes to your form via **Settings > Application Form**.

Email Templates

In your **Communications & Events** tab you will see sections for Manual Messages, Automated Messages and Scheduled Messages.

The platform has several email templates already available for you to use. We would recommend having a look through these templates, seeing which ones you would like to make any changes to, to reflect the messages you would like to use at your school for this year.

You may create your own manual templates that you may use later in the cycle here.

There are also several automated emails you will need to check. We recommend going over these templates and determining which ones you want to turn on/off or alter.

Allows you to switch on/off an email

Before you send any emails via your platform, it is important to set your default emails; this will determine which email address your emails will be sent from (visible to students) and also which email address replies will go back to. You can set these by going to one of your email areas, clicking the kebab menu in the top right corner, and choosing **'Set Default Email'**.

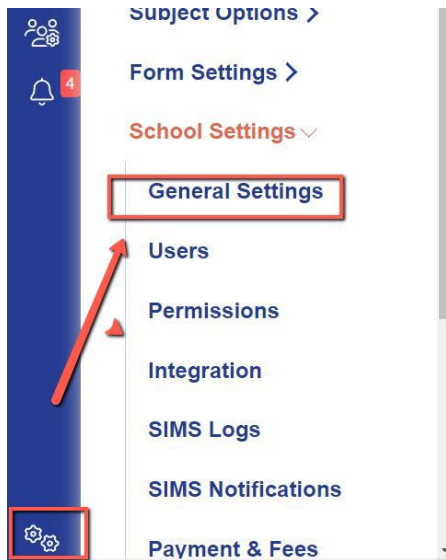

Please access our [Knowledge Base](#) for an overview of the communication area, and of course contact us on **020 3667 0764** for further questions.

Read more about DNS [here](#).

If you are seeing “admin@applicaa.com” in the From address, this means you have not requested a DNS update. You can request this by clicking this icon and adding the details for your IT Manager - it will then mean you can send emails from your own school domain once this has been activated!

A screenshot of a configuration page titled 'Set default email addresses for this form'. The page has a close button (X) in the top right. Below the title, there is a note: 'To update this for other forms you will need to navigate to the email template area for that form'. The main section is 'From address', which currently shows 'admin@applicaa.com'. To the left of this text is an information icon (i). A red callout box with an arrow points to this icon, containing the text 'Click here to submit your DNS request'. Below the 'From address' field is a text input field for 'Reply to email (to add a new email, start typing and hit 'Enter' to save)'. Below that is another text input field for 'Default email address for emails targetted at staff'. At the bottom of the form is a blue 'Update' button.

Linking your Bursary Platform with your A+ System

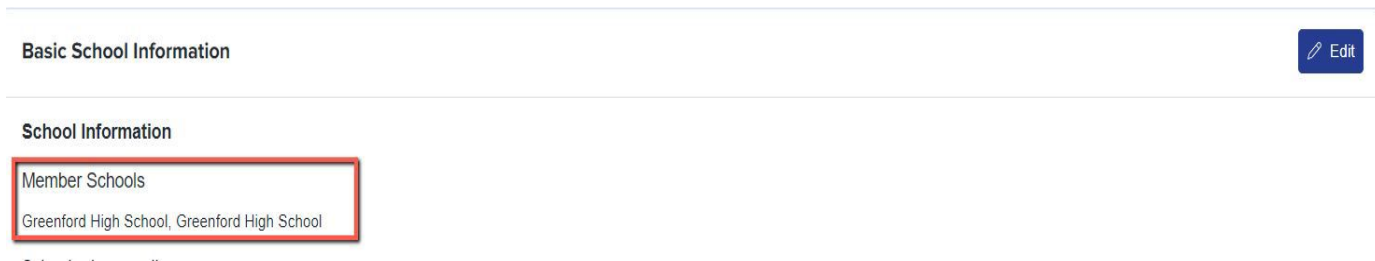

We can easily link your bursary platform to your A+ platform so your enrolled students in A+ can log into your B16+ system using the same credentials and begin an application for the bursary fund. Their basic details will carry over to B16+.

To check that the two platforms are already connected to one another, please log in to your Bursary Platform and navigate to **Settings > General Settings**.

If no member school is listed, but you would like your A+ and B16+ systems to be connected please call our Support Team on **020 3667 0764**.

You may also provide students with your Bursary link (which is the same link/URL you are using to login as a staff member), and they should be able to log in using the same credentials they used in A+.

The background features a central light blue hexagon. To its top-left is a light gray hexagon. To its top-right is an orange parallelogram. To its bottom-left is a dark blue hexagon. To its bottom-right is a light blue hexagon. Below the central hexagon is a small light blue hexagon.

Do you have any questions?
